

Hello Dr. Vázquez,

I regret to inform you that I do not have the files for this assignment. My partner Yekaterina Fyodorova and I worked tirelessly (with you) to solve our issues. We were unfortunately unable to make it passed Step 22 in Amber Tutorials, Running Production MD.

You said yourself that there is something wonky happening w/ this step. I took your suggestion of making the txt file in Atom & still to no avail. Please accept my humble apologies for my lack of work, as it does not stem from laziness or lack of trying. I have attached files of what I have up until the point of where I had to stop. Again, sorry about this

Sincerely,

Natalie Williams
